## **Stannary Brass Band Child Protection Procedures / Guidelines**

### **Introduction**

These procedures have been designed to ensure that the welfare and protection of any child and/or young person who accesses the services provided by Stannary Brass Band. The procedures recognise that child protection can be a very difficult subject for workers to deal with to the extent that it is sometimes easier to close your eyes to what is happening or believe that it is somebody else's problem to deal with. Stannary Brass Band is committed to the belief that protecting children and young people

is everybody's responsibility and therefore the aim here is to provide guidelines that will enable all workers and volunteers to act appropriately to any concerns that arise in respect of a child/young person.

Stannary Brass Band is committed to equal opportunities and cultural diversity. We promote relationships with our diverse partners. Stannary Brass Band does not tolerate discrimination for any reason including religion, background, gender, age, sexual orientation or race.

#### Section 1 – Recognising the Signs and Symptoms of Abuse

Stannary Brass Band will ensure that identified staff members whether paid or unpaid, undertake appropriate training dependent upon their role to gain a basic awareness of the signs and symptoms of child abuse and recognises how concerns about a child or young person's safety can come to light. For example:

- a child or young person alleges that abuse has taken place or that they feel unsafe,
- a third party or anonymous allegation is received,
- a child or young person's appearance, behaviour, play, drawing or statements cause suspicion of abuse and/or neglect,
- a child or young person reports an incident(s) of alleged abuse which occurred some time ago,
- a report is made regarding the serious misconduct of a worker towards a child or young person.

Also see Appendix 1 for Definitions of Abuse

#### Section 2 Guidance on how to respond to a person disclosing abuse

##### DO's:

- Do treat any allegations extremely seriously and act at all times towards the child as if you believe what they are saying,
- Do tell the child they are right to tell you,
- Do reassure them that they are not to blame,
- Do be honest about your own position, who you have to tell and why,
- Do tell the child what you are doing and when, and keep them up to date with what is happening,
- Do take further action – you may be the only person in a position to prevent future abuse – tell

your nominated person immediately,

- Do write down everything said and what was done.

DON'T's:

- Don't make promises you can't keep,
- Don't interrogate the child – it is not your job to carry out an investigation – this will be up to the police and social services, who have experience in this,
- Don't cast doubt on what the child has told you, don't interrupt or change the subject,
- Don't say anything that makes the child feel responsible for the abuse,
- Don't do nothing – make sure you tell your Designated Safeguarding Officer immediately – they will know how to follow this up and where to go for further advice.

### Section 3 Managing Allegations made against a member of Staff / Volunteer

Stannary Brass Band will ensure that any allegations made against members or a member of staff will be dealt with swiftly and in accordance with these procedures:

- The worker must ensure that the child is safe and away from the person against whom the allegation is made,
- The Designated Person for child protection should be informed immediately. In the case of an allegation involving the named person, alternative arrangements should be sought to ensure that the matter is dealt with by an independent person,
- The named person should contact the local authority designated officer (LADO) on 01392 386013 for advice on how to proceed with the immediate situation. Outside of working hours the Emergency Duty Team (0845 6000388) can give advice and/or in the event of an emergency situation arising, the police,
- The individual who first received/witnessed the concern should make a full written record of what was seen, heard and/or told as soon as possible after observing the incident/receiving the report. It is important that the report is an accurate description. The named person (if appropriate) can support the worker during this process but must not complete the report for the worker. This report must be made available on request from either the police and/or M.A.S.H.
- Regardless of whether an investigation follows, Stannary Brass Band will ensure that an internal investigation takes place and consideration is given to the operation of disciplinary procedures. This may involve an immediate suspension and/or ultimate dismissal dependant on the nature of the incident.

### Section 4 Safe recruitment practices

The Organisation will use the following checklist for safer recruitment:

1. Write a clear job/role description (what tasks the applicant will do) and a role profile (what skills the person will be expected to have).
2. Use application forms to assess the candidate's suitability for the role. This makes it easier to compare the experience of candidates and helps you to get all of the important information you need to ask.
3. Make it clear that your organisation has a commitment to safeguarding and protecting children. You could include this in a job application pack.
4. Where possible have a face-to-face interview with pre-planned and clear questions. Include a question about whether they have any criminal convictions, cautions, other legal restrictions or pending cases that might affect their suitability to work with children.
5. Check the candidate's identity by asking them to bring photographic ID.
6. Check the candidate actually holds any relevant qualifications they say they have.
7. Apply for a Disclosure and Barring Service check if appropriate to the individual's role.

8. Take up references. Ask specifically about an individual's suitability to work with children.
9. Provide a copy of your organisation's child protection policy and procedures.

## Section 5 Induction and Training for Staff and Volunteers

All staff and volunteers will be given details of this policy as part of their induction as well as the health and safety procedures. All new staff and volunteers should be adequately supervised and their progress reviewed on a regular basis. Stannary Brass Band will identify which staff and volunteers are required to participate in the relevant Child Protection training courses and be responsible for arranging this training and ensuring relevant updating takes place.

## Section 6 Photography & Filming

We will not permit photographs, video or other images of children or young people to be taken without the consent of the parents/carers and children. Should Stannary Brass Band require photographs, video or other images of children or young people for our own promotional purposes (Stannary Brass Band) will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform Stannary Brass Band immediately.

## Section 7 Internet, Social Media and Mobile Phone acceptable use

Stannary Brass Band understand the importance of emerging technologies for children's education and personal development but recognise that safeguards need to be in place to ensure children are kept safe at all times.

## Section 8 – A Named Person(s) for Child Protection

Every organisation that works with children or young people should have in place a named person who is responsible for dealing with child protection issues that may arise. A deputy must be made available in their absence. These individuals must be trained in child protection and their responsibilities clearly stated within your procedures. For example: Stannary Brass Band has an appointed individual(s) who are responsible for dealing with any child protection concerns. In their absence, a deputy will always be available for workers to consult with. The named persons for Child Protection within Stannary Brass Band are:

### Designated Person for Child Protection

Name: Judith Cotter

Contactable via the band.

### Committee member Designated Person

Name: Judi Turner

Home telephone number: 01822 610881

Mobile number: 07860904900

The role and responsibilities of the named persons are:

- To ensure that all staff are aware of what they should do and who they should go to if they are concerned that a child/young person may be subject to abuse or neglect.
- Ensure that any concerns about a child/young person are acted on, clearly recorded, referred on where necessary and, followed up to ensure the issues are addressed.
- The Named Person(s) will record any reported incidents in relation to a child/young person or breach of Child Protection policies and procedures. This will be kept in a secure place and its contents will be confidential.

#### Section 9 – Recording and managing confidential information.

If Stannary Brass Band becomes concerned that a child/young person may be at risk of significant harm, then the organisation has a duty to refer their concerns to the relevant agencies / Multi Agency Safeguarding Hub (see Appendix 2). Where possible this should be done with the child's/young person's consent, but, if necessary, such consent should be set aside in the interests of the child/young person concerned. Staff (paid / unpaid) will be responsible for completing the incident report form (in Appendix 3). This is for recording concerns / allegations of abuse, harm and neglect and the person who receives the allegation or has the concern should complete the pro-forma.

Access to those records needs to be limited to people in named roles who either need to know about the information in those records and/or who manage the records/files.

#### Section 10 Whistle Blowing Procedure (Procedures to deal with in house allegations against other workers/volunteers)

It can be very difficult to report concerns about a member of staff or volunteer but all staff and volunteers have a duty to do this. It is important that any concerns for the welfare of the child arising from suspected abuse or harassment by a member of staff or volunteer should be reported immediately.

As a first step, you should normally raise concerns either verbally or in writing with your immediate supervisor/manager. This may depend, however, on the seriousness and sensitivity of the issue involved and who is suspected of the malpractice. For example, if you believe that management is involved you should approach a more senior level of management.

Should any uncertainty exist about how to proceed if there was a whistle blowing situation and you need immediate advice contact the Devon Multi-Agency Safeguarding Hub (MASH) on 0345 155 1071 or email [mashsecure@devon.gcsx.gov.uk](mailto:mashsecure@devon.gcsx.gov.uk)

The organisation will strive to identify and manage physical risks to children and young people when they take part in activities through:

- having a health and safety policy and risk assessment process in place covering the venue and activities;
- carrying out risk assessments in advance of outings and special events;
- ensuring that there are regular checks on equipment used by children, staff and volunteers in the organisation;
- having clear guidelines on parental consent to activities and, where appropriate, the consent of young people;
- users completing a registration form giving us details about their needs (medical, dietary, allergies, care needs), these will be kept easily available during sessions;
- There being a trained designated first aider.

## Section 12 Disseminating/Reviewing Policies and Procedures

Stannary Brass Band will review this policy on an annual basis and this will be signed by Chair of Trustee or his/her deputy when the revised policy has been accepted. Any changes/amendments will be clarified and shared with staff and where significant changes appear these must be relayed to parents/carers.

## **Appendix 1**

### **Definitions of Abuse**

**PHYSICAL ABUSE:** May involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent/carer fabricates the symptoms of, or deliberately induces illness in a child.

**EMOTIONAL ABUSE:** Is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only in so far as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

**SEXUAL ABUSE:** Involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non-penetrative acts. They may include non-contact activities, such as involving children in looking at, or in the production of, sexual online images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

**NEGLECT:** Is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- Protect a child from physical and emotional harm or danger
- Ensure adequate supervision (including the use of inadequate care-givers)
- Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.
